The Commission on Land Office, created by the resolution of the House of Representatives, passed January 18, 1892, has the honor to submit herewith its report. The Commission was organized on January 22, 1892, and has since that time been engaged in a study of the various questions connected with the management of the public lands. It has held numerous public hearings, and has received many suggestions from the people of this State. It has also conducted extensive research into the various problems connected with the management of the public lands, and has endeavored to formulate a plan of action which will be in accordance with the best interests of the State. The Commission believes that the plan of action which it has formulated is one which will be in accordance with the best interests of the State, and it therefore recommends that the same be adopted by the House of Representatives. The Commission also wishes to express its appreciation to the many individuals and organizations which have assisted it in its work, and to the many members of the House of Representatives who have shown their interest in the work of the Commission.
